

## The Client

Confidential Client

## The Project

Investigation of damage and loss to State Government assets associated with the February 2009 bush fires.

## The Assignment

Provide the assessment support across various facilities and stakeholders including:

- Bridges
- Lake Mountain Alpine Resort
- Public facilities, buildings and offices
- Police station
- Youth camp

## The Outcome

Flagstaff provided a flexibility in approach to deal with the results of an unexpected event and working with the claimants in recording actual loss to successfully complete:

- Field investigations and assessments of damage and loss.
- Valuation and evaluation of like-for-like replacement.
